

Cat5e SOHO Network Patch Cable

Make Your Connections With Reliable Quality.

The INTELLINET NETWORK SOLUTIONS™ Cat5e SOHO Network Patch Cable is composed of copper-clad aluminum (CCA), a composite wire that consists of an aluminum core clad with copper. Even though the majority of the material is aluminum, the wire has high-frequency properties. CCA is widely used in applications requiring the conductivity of copper while retaining much of the price and weight advantages of aluminum.

Full Array of Options Meets All Your Wiring Needs

Cat5e SOHO Network Patch Cable provides the type, length and color of cable you require for your given situation.

- Copper-clad aluminum (CCA)
- Impedance matched
- Strain relief
- Standards tested
- RJ-45 connectors
- 24awg

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all INTELLINET NETWORK SOLUTIONS products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

INTELLINET NETWORK SOLUTIONS™ Cat5e SOHO Network Patch Cable Reference List
