

19" Secure Wallmount Cabinet

6U, Assembled, 450 mm (17.72") depth, Black

Part No.: **714433**

Intellinet wallmount cabinets offer a flexible and comprehensive solution for network installations. Our service starts with the shipping condition – get the completely assembled cabinet delivered or save space and money with the flatpack version.

In terms of housing, choose from among the extra-compact 10U cabinets and numerous 19U versions, with installation depths that range from 300 to 600 mm. With heights from 6 to 20 units in black (RAL9005) or gray (RAL7035), Intellinet has a solution for every need. The removable side panels, the lockable tempered glass door that can be opened more than 180° and the optional double section make cabling and component exchange particularly easy.

In material and workmanship, we provide top quality. Part of that is a cold-rolled steel frame, zinc-plated 19U mounting rails and antistatic powder coating on all panels.

Features:

- Assembled Secure Wallmount
- Ideal for 19" rackmount applications
- Maximum static load of 30 kg
- Steel door with two-bolt security
- Cold-rolled, galvanized SPCC steel with up to 1.5 mm thickness
- Antistatic powder coating on all panels
- Three-Year Warranty
